## GREAT CAST APPEARS IN 'SIN' AT PASTIME TODAY AND TOMORROW

"Sin," the latest William Fox photoplay, interests starting that most remarkable of all actresses Theda Bara, the vampire woman of the "Theater of Antioch." Paris boasts a singularly strong supporting cast even when the fact that it is a Fox production is taken into consideration.

Ladd, a powerful part particularly suited to Theda's talents. Henry Krauss, famous Broadway artist and a giant, in an emotional character of impressive strength. ## TUESDAY TO BE CHARITIES DAY IN ALBUQUERQUE

Program for Great Gathering at Armory Thanksgiving Day One That Will Be of Interest to All.

The program for the big union Thanksgiving service to be held in the armory on the morning of Thanksgiving day was announced yesterday, and the speakers who are to participate in the services makes it certain that the big crowd which will be present will be well repaid for attending.

The plan for the union services was worked out largely by Rabbi Moise Bergman, pastor of Temple Albert, who believed that great good would be accomplished by having men and women of all religious faiths to unite in a spirit of universal brotherhood and give thanks to the God to whom all creeds and religions bow down. Leading ministers of all the Christian churches, Catholic and Protestant, entered heartily into the spirit of Rabbi Bergman's plan, and the result is that for the first time Albuquerque will have a union Thanksgiving service in the full sense of the word.

## IN JAIL, CHARGED WITH BEATING MAN WITH A LONG STICK

Charged with beating Domingo Anaya with a hickory stick, about four feet long, Tomas Galbano yesterday was bound over by Justice Pedro Tariqia, of San Jose, to await the action of the grand jury. Technically Galbano is charged with assault with a deadly weapon. He was taken to the county jail.

According to Under Sheriff Dick Lewis, the stick was liberally spattered with Anaya's blood. He is reported to have been badly maimed although, so far as known, at the sheriff's office, no physician was called.

Galbano and Galbano are at present ill. Both are middle-aged. The reason of the trouble could not be learned.

WEATHER FAILS TO DIMINISH CROWD AT THE ORPHEUM THEATER

Despite the threatening weather a good audience was on hand at the Orpheum last night to witness the Keystone Comedy company's production of "Li Hong Chang," an extremely funny musical play.

Billy House, as the Chinese interlocutor, and Bobby Fitzsimmons, the Dutch comedian as Li Hong Chang, supplied the laughing material for the play and they succeeded in keeping the audience in a continuous roar of laughter. Blanche Martin and Blanche Martin showed well in their respective roles. The beauty chorus in the musical numbers was exceptionally good. The Tiptpper number, led by Blanche Martin, the girls in several costumes received repeated encores. Special specialties by Seymour: the cowboy paper, and the circus. Seymour's dogs were extremely good. Seymour's dogs, two little poodles, were certainly well trained. They did stunts outside of the usual run of dog acts.

Tonight the company will finish their engagement here when they will present the best play in their repertoire, entitled "Isabelle." No doubt the company will have a good house to witness their farewell performance, and they deserve it, for it is one of the best and cleanest little companies that ever played this city.

EXPERT PICTURE FRAMING

The picture framing of The Art Shop these days is certainly to be commended and emphasized the old saying that "artists are born and not made." The Art shop work stands out above the popular goods, pictures that are made by catalog framers and now is the time to get readying for the holiday season.

You have a picture framed but once take it to The Art Shop and have it done right. Mail orders receive careful attention.

This great picture will be the attraction of the pastime theater today and tomorrow. Time of shows—1, 2:15, 4:15, 5:30, 6:45, 7:30, 8:30 and 9:45 p. m. Special admittance—Admits 15 cents; children, 10 cents.

Miss Abby Headcock, 516 West Central, gave a series of dancing lessons for little children's classes Tuesday afternoon from 4 to 6, and Saturday afternoon 2 to 4. Adults by appointment.

Admits 15 cents; children, 10 cents.
